

# Learn at Home Resources

 Niagara Catholic has created this list online educational resources to supplement your child's learning while schools are closed due to COVID-19. These sites are for organizations outside the Niagara Catholic District School Board, and the content and operation of these websites are the sole responsibility of the organizations. Sharing these websites as resources is neither an endorsement of these sites, nor of the information they contain. Please direct any questions or comments about these sites to their webmaster or the organization.

Subject/Topic	Online Resource	Grades 9 and 10	Grades 11 and 12
Literacy, History, Geography, Indigenous Education	<b>The Canadian Encyclopedia</b> Students can access the Canadian Encyclopedia to engage in inquiry learning and to access videos, timelines and articles related to topics of interest. <a href="https://www.thecanadianencyclopedia.ca/en">https://www.thecanadianencyclopedia.ca/en</a>	✓	
All Subjects, Indigenous Education	<b>Curio.ca</b> CBC is offering complimentary access to a variety of programs/topics listed under <i>Categories, Shows</i> and <i>Collections</i> . <a href="http://www.curio.ca">www.curio.ca</a>	✓	✓
All Subjects, Indigenous Education	<b>National Film Board of Canada (NFB)</b> NFB includes documentaries, animations, experimental films, fiction and interactive works. NFB showcases films that take a stand on issues of global importance that matter to Canadians—stories about the environment, human rights, international conflict, the arts and more. <a href="http://www.nfb.ca">www.nfb.ca</a>	✓	✓
History, Geography, Indigenous Education	<b>Historica Canada</b> Students can access Heritage Minute videos related to a variety of Canadian historical themes that may spark further independent inquiry. Select <i>Heritage Minutes</i> from the top menu to view the videos. <a href="https://www.historicacanada.ca/">https://www.historicacanada.ca/</a>	✓

Subject/Topic	Online Resource	Grades 9 and 10	Grades 11 and 12
Mathematics	<b>Math CLIPS (Critical Learning Instructional Paths Support in Mathematics)</b> offers a range of interactive activities, games and quizzes for students from Grades 4 to 12. <a href="http://www.mathclips.ca">www.mathclips.ca</a>	✓	✓
Mathematics	<b>Centre for Education in Mathematics and Computing - CEMC at Home</b> This resource provides games, problems, applications and videos for students. Additional tasks will be added each day. <a href="https://cemc.uwaterloo.ca/resources/cemc-at-home.php">https://cemc.uwaterloo.ca/resources/cemc-at-home.php</a>	✓	✓
The Arts	<b>Google Arts and Culture</b> Explore artwork in detail by zooming in on famous pieces, do a street view tour of famous sites and landmarks, watch 360 degree videos (like Carnegie Hall featuring the Philadelphia Orchestra) learn about composers and artists and view highlighted works. <a href="https://artsandculture.google.com/">https://artsandculture.google.com/</a>	✓	✓
French	<b>DESTINATIONTARIO DELF</b> A website for Ontario students preparing for the DELF - Diplôme d'Etudes en Langue Française. <a href="https://destinationdelf.ca/">https://destinationdelf.ca/</a>  <b>Idello</b> French platform with activities and videos on a variety of subjects, all in French. Students and parents can create an account if they do not already have one. <a href="https://www.idello.org/en">https://www.idello.org/en</a>	✓	✓
Career/Life Planning	<b>Career Planning</b> This Government of Canada website provides information and tools to research an occupation to find out what the job is all about. It includes quizzes to discover your work preferences, key skills and strengths related to your learning type. The results will help you find occupations that would be a good fit for you. You can explore jobs or career options that match your skills and knowledge. <a href="https://www.jobbank.gc.ca/career-planning">https://www.jobbank.gc.ca/career-planning</a>	✓	✓
Career/Life Planning	<b>Skills Ontario</b> Skills Ontario prepares Ontario's youth for the highly-skilled economy of tomorrow by enabling and empowering all youth, including women and Indigenous youth, to consider a career in the skilled trades and technologies. Try the <i>Apprenticeship Game</i> at the link below. <a href="http://www.skillsontario.com/playskillsgame/boardgame/index.html">http://www.skillsontario.com/playskillsgame/boardgame/index.html</a>	✓	✓
Career/Life Planning	<b>Careers in Trades</b> The Canadian Apprenticeship Forum and Skills Canada website allows you to discover and explore the trades and apprenticeships. <a href="https://careersintrades.ca/">https://careersintrades.ca/</a>	✓	✓
Science and Technology	<b>Science Education Resources</b> This Government of Canada website provides activities, videos and more to help youth learn about science and technology. <a href="https://www.canada.ca/en/services/science/educationalresources.html">https://www.canada.ca/en/services/science/educationalresources.html</a>	✓	✓
Science and Technology	<b>Canadian Space Agency</b> The Canadian Space Agency website has a variety of resources and activities to stimulate students' interest in the sciences, mathematics and technology. <a href="https://www.asc-csa.gc.ca/eng/resources-young/default.asp">https://www.asc-csa.gc.ca/eng/resources-young/default.asp</a>	✓	✓

Subject/Topic	Online Resource	Grades 9 and 10	Grades 11 and 12
