Re: Summer School On-site Credit Courses Cancellation

Dear summer school students, parents and guardians;

This message is for those students who registered for an **on-site** summer school credit course, scheduled to run from July 27 to August 21.

Since schools closed in March, we remained hopeful about the possibility of providing an on-site summer school experience for students. The Ministry of Education has announced schools will remain closed until September, so that school boards can use the summer to plan and prepare a return-to-school protocol for the 2020-2021 school year.

With the above in mind, it has been decided to cancel all on-site summer school programs this year.

Online Credit Course Registration

In order to allow students to take a summer school credit course, we have reopened summer school online credit course registration until Tuesday, June 30. Students may register for an online course [here](#). Online courses run from Monday, July 6 to on Tuesday, August 18.

Please visit www.summerschoolniagara.ca additional information.

Sincerely,

Chris Boyer, Principal
Summer School
