POSTIVE CASE OF COVID-19 REPORTED
AT HOLY CROSS CATHOLIC SECONDARY SCHOOL

Niagara Catholic has been advised that an individual at Holy Cross Catholic Secondary School has tested positive for COVID-19. This individual is currently in self-isolation. Niagara Region Public Health is currently investigating. Staff from Holy Cross are working with Niagara Region Public Health and will fully comply with all requirements.

Any students and staff known to have been in contact with this individual will be contacted by Niagara Region Public Health. Niagara Catholic advises all contacts to follow the recommendations of Niagara Region Public Health.
