Three New Confirmed Cases of COVID-19 at Niagara Catholic

Niagara Catholic has been advised of three new cases of COVID-19 in our schools.

- An individual at St. Alfred Catholic Elementary School
- An individual at St. James Catholic Elementary School
- An individual affecting both St. Charles and St. Theresa Catholic Elementary Schools.

All three individuals are self-isolating at the instruction of Niagara Region Public Health.

Public Health has determined that there is no risk of transmission to the individual's class at St. Alfred Catholic Elementary School, and class will proceed as usual.

The principals of St. Alfred, St. James, St. Charles and St. Theresa Catholic elementary schools have sent letters to their school communities to notify them of the cases. Niagara Region Public Health is in the process of contacting all students and staff from St. Charles, St. James and St. Theresa who had direct contact with the individuals so they can begin self-isolating immediately.

Staff at all affected schools are working with Niagara Region Public Health, and will comply with all requirements. Niagara Catholic advises all contacts to follow the recommendations of Niagara Region Public Health.
