MEDIA RELEASE

December 17, 2020

Two more Confirmed Cases of COVID-19 at Saint Michael Catholic High School

Niagara Catholic has been advised that two more cases individual at Saint Michael Catholic High School have tested positive for COVID-19.

Niagara Region Public Health has advised that one of these individuals was not in the school while infectious. Out of an abundance of caution, while awaiting confirmation from Public Health, the cohort was advised to stay at home and await further instructions.

The second individual was in the school while infectious, exposing others to the virus. Public Health is in the process of notifying anyone who came in contact with this person to begin self-isolation.

These case are unrelated to the two other cases at the school announced earlier this week.

These individuals are currently in self-isolation. The principal of Saint Michael Catholic High School has sent a letter to all students and staff to notify them.

Niagara Catholic advises all contacts to follow the recommendations of Niagara Region Public Health.
