Confirmed Cases at St. Ann Catholic Elementary School in Fenwick, and Notre Dame College School

Niagara Catholic has been advised of individual confirmed cases at COVID-19 in two of our schools.

One is an individual at St. Ann Catholic Elementary School in Fenwick. The other is at Notre Dame College School.

Staff and students in both schools were exposure to COVID-19 while these individuals were infectious.

The individuals in affected classrooms have been notified and are now self-isolation at the instruction of Niagara Region Public Health. Niagara Catholic advises all members of our school communities to continue to follow the instructions of Public Health to limit the spread of COVID-19 in our communities.
