## Fifth and Sixth Cases at Loretto Catholic; Case Confirmed at Saint Michael

Two more individuals at Loretto Catholic Elementary School have tested positive for COVID-19, bringing the school's total to six.

These individuals are part of a cohort currently in isolation, and there is no further risk to the school community.

An individual case of COVID-19 has also been confirmed at Saint Michael Catholic High School. Students and staff at the school were exposed to COVID-19 while this individual was infectious, and are now in self-isolation.

The principals of each school continue to work with Niagara Region Public Health. Niagara Catholic continues to advise all members of the community to follow Public Health guidance related to COVID-19.
