One Confirmed Case at Notre Dame College School**

Niagara Region Public Health has been advised of four confirmed cases at St. Andrew Catholic Elementary School in Welland.

Niagara Region Public Health has determined that the cases do not meet the threshold for an outbreak, due to their origin.

We also had single confirmed cases at Our Lady of Mount Carmel Catholic Elementary School, Denis Morris Catholic High School, and Notre Dame College School.

All affected students and staff are now in self-isolation, on the direction of Niagara Region Public Health.

Niagara Catholic advises all students and staff to continue to follow the direction of Public Health to reduce the spread of COVID-19 in our schools.
