MEDIA RELEASE

March 16, 2021

Outbreak Declared at St. Charles Catholic Elementary School

Niagara Catholic has been advised that two individuals have tested positive for COVID-19 at St. Charles Catholic Elementary School.

These individuals are connected to the confirmed COVID-19 case announced Monday, bringing the case and classroom closure count at the school to three.

As a result, Niagara Region Public Health has declared an outbreak at St. Charles Catholic Elementary School.

The individuals are currently in self-isolation. The principal of St. Charles Catholic Elementary School has sent a letter to all students and staff to notify them. Anyone who was exposed to the virus during the individuals' infectious period has received a message from Niagara Region Public Health through the school. Niagara Catholic advises all contacts to follow all recommendations of Niagara Region Public Health.

Staff at St. Charles continue to work with Niagara Region Public Health and will comply with all requirements.
