## Three Confirmed Cases at St. Augustine; Confirmed Case at St. Alexander

Niagara Catholic has been advised of four new cases of COVID-19 at St. Augustine Catholic Elementary School, bringing the current case count to five. Of those, only three individuals are connected to the class already in isolation, and one required the closure of a second classroom.

We have also been advised of a second, single case at St. Alexander Catholic Elementary School.

All affected students and staff are now in self-isolation, on the direction of Niagara Region Public Health.

Niagara Catholic advises all students and staff to continue to follow the direction of Public Health to reduce the spread of COVID-19 in our schools.
