Spring Break Confirmed Cases of COVID-19 - Final

Niagara Catholic announces the following COVID-19 cases confirmed from April 14 through end of day on April 20. Moving forward throughout the school closure, based on Ministry of Education instructions, we will only report cases of students and staff attending and working at schools in-person. This is consistent with our reporting process during the January closure. Based on the infection dates, we expect that all cases will be cleared on April 22.

- Father Hennepin Catholic Elementary School – two cases
- Notre Dame Catholic Elementary School – one case
