Denis Morris Catholic High School Students Transition to Online Learning Until Christmas Break

Friday afternoon, Niagara Catholic District School Board Director of Education Camillo Cipriano, in collaboration with Senior Staff and Denis Morris Catholic High School administration, made the difficult and extraordinary decision to move Denis Morris Catholic High School students to remote learning from December 20-23.

This decision was made out of an abundance of caution due to supervision concerns caused by recent COVID-19 cases at the school, which have affected staffing. As a result of this transition to virtual learning, all co-curricular teams/clubs have been suspended. Games scheduled for next week will be rescheduled when schools reopen in the new year.

Student supports will remain in place virtually while students learn from home. Technology will be available to support students learning from home, and students will be able to return to school before the break to pick up any items left in their locker by end of the day December 23.
