

Indigenous Peoples Month

Niagara Catholic is grateful to its supporting Community partners who provide guidance throughout the school year. Their dedication and commitment ensures classroom activities and resources reflect the vibrant Indigenous Community within Niagara.

During the 2021 / 2022 school year the following agencies added their voice to our Indigenous Education Advisory Committee.

The month of June is recognized as Indigenous Peoples Month

Niagara Catholic celebrates with Community the many Nations who make up the Niagara Region as we join together to honour Indigenous heritage, culture, and traditions from across Turtle Island.

Our partner agencies offer a wide range of opportunities to celebrate throughout the month these events!

Drum Nights every Monday in June!
