

I would like to start by thanking Bishop Bergie, family and friends, administration, and staff that have come to show support for Niagara Catholic. I have not forgotten the students that have given up their evening to come out tonight. Thank you to all the students, student senate, volunteers, culinary and the music students.

You are the reason we are all here tonight.

I am honored to be serving this Board as Vice-Chair. I have big shoes to fill and promise I will give the same faith filled commitment as those that have been before me. I feel confident to help navigate my fellow trustees to lead this Board in its continued success of Catholic education. Catholic education is a gift that we have received and I will make sure that I with all of you, we will continue to fight for this gift.

Thank you
